*"Neighbors Working Together To Improve
The Quality Of Life In Our Neighborhood"*

GREETINGS FROM OUR PRESIDENT

Dear Neighbors,

Hats off and Congratulations to our 2020 graduates. Our community applauds this milestone in your life. Of course, graduation day was not the usual but you still have the knowledge to build a bright future. Cheers to support groups of our graduates.

THANK YOU to our frontline and essential workers for your dedication and sacrifices. Thanks for everything you do to keep us safe and healthy in our "new normal" way of life. We truly appreciate and are praying for you and your family.

Neighbors, please show respect for your health and others by wearing a mask and use social distancing in public places. What we do as an individual does affect the lives of our family members and those that we encounter. STAY HOME if you are sick, have health issues or feel it's too soon to venture out. Use your personal circumstances to make decisions for your actions. Don't forget to share your feelings and thoughts with others to help keep you mentally sound. Pray for your neighbors. We need it.

Prayers going up for our sick, shut-in, recuperating and bereaved members. We must continue to pray for each other and keep the faith. Everything is going to be alright.

Happy Father's Day to all dads and father figures.

**THOUGHT FOR
TODAY**

We begin, then, with the basic premise that the purpose of our life is to seek happiness. It is a vision of happiness as a real objective, one that we can take positive steps toward achieving.
