

"Neighbors Working Together to Improve the Quality of Life in Our Neighborhood"

FROM
PRESIDENT'S
DESK

Greetings Neighbors,

Happy glorious Spring! This is one of my favorite times of the year! I look forward to cooler mornings, warmer temperatures, with bright sunshine in the afternoons. Spring is a time of renewal, lots of hopes and dreams for high school students looking to get into that college of their choice, and breathless families who await the news! For some students the choice is the military; I am retired military, so of course I salute your choice! Either way, we want to hear about your student's accomplishments. Next month, we will tell you how to share that good news with the entire community!

Neighbors don't forget that April is our beautification month where you are strongly encouraged you to welcome spring with sprucing up your property. It does not matter whether you rent or own, just take the time to do what you can; it will be greatly appreciated. Remember, as you throw out large objects, tree limbs over four feet, and anything else, call the Bulk Items Collection **(803) 576-2450** to schedule a pick up.

Please join us and be a part of our meetings that are held on the 4th Thursdays of the month to hear what is going on in your community, resources that are available to our you and your families, and most important meet your neighbors. I want to hear from you! What are your concerns, what do you need?

Lastly, don't forget your annual **\$30.00** membership dues that help defray the cost of many things we accomplish throughout the year to include this newsletter, cameras in the neighborhood; that help us fight crime, our website, and the calling post; which keep you up to date on activities in our neighborhood. I look forward to meeting all of you!

*Thank you for your Support,
Cynthia D. H. Privette,
NCCI President*
