AUGUST 2020

PRESIDENT'S MESSAGE

Hats off to neighbors who are beautifying and keeping your yards clean. I really appreciate your efforts. Thank you for making our neighborhood look good.

In addition, thank you Dr. Anthony Mack, Social Activities Committee members, and neighbors for your participation in the *Mid-Summer Bash* on last Thursday. The drive thru Sherry Court to receive a cup of Italian Ice or a pop sickle was refreshing on a hot summer day. If you missed it, you missed a treat. (A *Mid-Summer Bash* flyer was included in July's newsletter, a reminder was sent out via Calling Post and a reminder during our Virtual Community Meeting.) Let us continue to show love and appreciation for each other as we work together to make Newcastle a first class community.

Please take a moment to review the enclosed update on our **100% Paid-Up Block Friendly Competition**. If you have not paid your \$30 membership dues, please do so. Your block and block captain need your support. Note in this newsletter, the three {3} ways to pay. Competition will end September 30, 2020. Will your block be among the 100% Paid-Up?

Continue to pray for our sick and shut-in and bereaved families. Continue to pray for our frontline workers and for those who have been adversely affected by the corona virus. Check on your neighbors to make sure they are okay.

Visit our website, www.newcastleconcernedcitizens.com for more information about our Newcastle community.

Thank you,

Mrs. Mary W. McCants
NCCI President

MARCH ON WASHINGTON

On August 28, 1963, the Civil Rights Movement reached its climax when 250,000 people marched on Washington, D.C. Marchers demanded the government pass laws to give African Americans equal rights. Many people spoke and musicians performed at the march. The most famous event that day was Reverend Dr. Martin Luther King, Jr. giving his "I Have a Dream" speech. Broadcast live on TV and radio, the speech touched and inspired millions of Americans. The next year, the Civil Rights Act was made into law.
