SEPTEMBER 2020

FROM THE PRESIDENT'S PEN

A special "Thank You" to our neighbors that have recently paid their \$30 dues. Your participation brought your block closer to 100% Paid-Up. Please encourage your neighbors to pay-up. Every household on a **100% Paid-Up Block** will receive a gift from me, Mary McCants, NCCI President. Plus, your block will receive special recognition in our October newsletter. Come on, let us have some block winners BEFORE the competition ends September 30, 2020.

The 100% Paid-Up Competition is meant to get more paying members, build pride and unity among residents on a block. Also to build a better relationship with your block captain. **Do you know your block captain?** He/She should be your first contact person to report sickness, death, tragedy, new neighbors and other concerns. He/She should be among your list of friends. (Block captains, please get to know your block members. Thanks.)

School is opened again. Drivers, please slow down and be aware of children on the streets. Please observe the 20 mph speed limit throughout the neighborhood. Deputy Perez will be patrolling the neighborhood for speeders and other undesirables.

Please continue to pray for our country, sick and shut-in, recovering and bereaved families. Call and or send cards to support them.

SPREAD THE WORD to family and friends about our future events: Benevolence Fish Fry, Newcastle's First Annual Calendar and National Night Out.

Thank you,

Mrs. Mary W. McCants
NCCI President

THE LITTLE ROCK NINE COURAGE

The Little Rock Nine were the first African Americans to attend Central High School in Little Rock,

Arkansas. On their first day of class in September 1957, hundreds of angry people surrounded the school in protest. These protesters did not think black student should be allowed in. U.S. Army troops were sent to protect the Little Rock Nine. Despite being threatened, the young black students bravely continued to go to school. Their courage led to improved educational opportunities for African Americans.
