Greeting Neighbors,

Welcome to fall 2024! Please join us for our October meeting where our guest speaker is our very own Council Woman Yvonne McBride, she will us an update on various projects going on in our community. Wake UP! Stay Woke And Vote!!! It's time for elections. We need every eligible adult to get registered and VOTE! Educate yourself on the various candidates that are running for office. Do they care about your needs and desires? VOTE! Every vote matters. It's nonsense to think your vote does not matter! Do you want affordable housing, better health care and lower prescription cost for everyone, safer and better schools for our children, better protection from crime and gun violence? Please get out and VOTE!

Talking Trash. Get the Richland County Solid Waste App on Your Phone. Is Monday coming Yard Waste and Garbage pickup day OR Yard Waste, Garbage AND Recycling day? Take the guess work out by going to your "Play Store" and install the Richland County Solid Waste app on your phone. The app gives you what solid waste is being collected on Monday in advance. Try it.

If you have not paid your 2024 NCCI membership dues, it's not too late to pay. We need everyone contributing to the care and upkeep of our community. We cannot offer the services and activities without funding. Take actions today.

**KNOW WHERE YOUR WATER SHUT-OFF
VALVE IS LOCATED!**

At McCants Home, Thursday morning, I heard
a very loud burst of water coming from the
hall bathroom. I ran to check it out. Water was
blasting from behind the commode.

I tried to turn off the water supply to the
commode. The knob didn't budge! I called
Therin for help. He couldn't get it to budge.
He said, "I'll have to go outside and shut off
the water to the house." By this time, water
was everywhere!

Please locate your water shut-off valve to your
home today. Know how to turn off the water.
