

## President's

Deacon James B. Rhett

---

It is remarkable to note that six months have already elapsed in this calendar year. We have now entered the summer season, a period during which many families typically embark on vacations from June to September. I sincerely hope that each of you will have the opportunity to travel. Please remain vigilant regarding your surroundings, prioritize safety, and observe social distancing protocols at all times.

In the summertime, I have a particular appreciation for the seasonal fruits and vegetables available. I encourage you to take full advantage of these offerings, including watermelon, honeydew, plums, and others. As we approach our meeting in July, I urge everyone to continue their engagement with our community. If you have not attended a meeting in recent months or have not participated at all this year, there is still an opportunity to do so. I look forward to meeting with you and addressing any concerns you may have.

Please mark your calendars for our upcoming meeting scheduled for July 17th, during which we will be honoring our volunteer Block Captains under the esteemed leadership of Mrs. Mary W. McCants. I look forward to seeing each of you in attendance, as your participation is of great significance. Additionally, I encourage you to visit our website for the latest updates and extensive information:

<http://newcastleconcernedcitizens.com>.

Your engagement and feedback are greatly valued.
